

"When your electric needs demand the BEST"

July 28, 2010

I would like to take this opportunity to introduce you to Elite Electric Unlimited, Incorporated.

We are a local electrical contracting company serving the greater Wilmington area and surrounding counties.

Our firm holds an unlimited electrical license issued by the state of North Carolina. We are bonded, insured and carry workman's compensation. At the present time we are in the process of being HUB certified by the state as a minority / woman owned company. With over fifteen years experience in the local electrical field, we base our professionalism on quality work, competitive rates and foremost, customer satisfaction. Our experience in the electrical industry assures you the consumer the best return for construction dollar.

We are dedicated to your needs by combining state of the art products and up-to-date management techniques to guarantee that your job will be handled in a professional and timely manner. Being owner operated, we are in the field on your job building a lasting relationship with you, the client. Our hands on field management give the certainty that your job is as important as the next one, no matter the size.

We invite you to contact us to see what we are doing and what we can do for you. We offer free consultations and would be happy to speak with you about any upcoming projects you may be considering.

Give us a call today and let's get started on our most important project this year... YOURS.

Sincerely,

Adam Dietz
